Hi Brian,

Attached is a shapefile of the HUC8 (Upper Allegheny, 05010001) requested, which is the same as what's shown in the attached PDF. Is there anything else you need? Hope this helps!

I was given this by the Nation. Can you use this to create a shapefile?

Jillian, can you please help Brian with the HUC for the Upper Allegheny watershed? Maybe the HUC8?

Bill –

I had a discussion with the Seneca Nation on Friday and they said they are solely interested in EPA actions that occur in the “Upper Allegheny River Watershed”. A google search and looking at the “How's My Waterway” tool didn't yield a HUC that aligns with that phrasing. Can you help me define the Upper Allegheny River Watershed?
